From experience we know this is the most practical and comfortable way. The only thing you have to do as our guest is ride your bike. Besides that you will have the opportunity to fully enjoy the nature, culture, the unique Georgian hospitality and the amazing cuisine and the drinks to go along with that.

On the road we will visit a lot of sights; century old churches and other buildings but also the most amazing viewing points. There are basically too much to mention. That is why you will not find all of them back in the day-to-day plan you will find below. Nevertheless, visiting these sights is a must to seep in the unique culture of the country.

Arrival day: First of all we will pick you up from the airport and bring you to your

accommodation in Tbilisi, wherever in the city it may be.

Day 1: After getting ready for our first day on the road in Georgia we will discover THE most famous wine region of Georgia. Endless wine fields combined with a steppe-like landscape. We start of taking curvy roads up to the Gombori pass. We ride down through beautiful roads crossing the forests and end up in Telavi, the regions capital. From Telavi we follow the wine fields and taste a little bit of some of the wines, we visit a few wineries on our way, big ones but definitely also the small authentic wineries that produce their wines in the same way they have been doing it for over 8000 years.

After the area gets more mountainous again we end up in Sighnaghi. Authentic Georgian meals and a stunning view for our hotel awaits; endless plains with the eternal snowcapped Caucasian mountains behind them, take a dip in the pool before we go out and dine in the famous Pheasants tears restaurant.

Day 2: We leave Kakheti and move towards Kazbegi. The diversity of Georgia will reveal itself perfectly during this ride. From dessert like areas through long green fields with forests around them we end up in Kazbegi. A mountainous region with peaks up to 5000 meter high. Views on this ride are just stunning. Mountain passes go up and down as they take you from corner to corner, heaven for any motorcycle enthusiast. The views from the stylish Rooms Hotel over Mt. Kazbeg to enjoy the spectacular views are stunning. Amidst the mountains you will find the famous Gergeti Trinity church.

Day 3: With a circling move we head down South. From Kazbegi we ride to Borjomi, famous for its lush and green sights. Also, it's famous for its Spa and "healing" water. The reputation for the Borjomi's water went that far that during the USSR the Soviet Elite came to Borjomi to rest and heal. Beautiful roads take us there. We cruise through amazingly green sceneries. We spent the night in the village of Borjomi. We spent the night in the Borjomi Palace, one of the most historical spa resorts that the city is known for.

Day 4: Further on down the road we ride to Racha. A mystical region that has been undiscovered by foreign tourists. Often it is compared to Switzerland cause of its serene calmness and the impressive mountains

surrounding the area. You'll notice the differences with the mountains in Kazbegi, both have their unique shape and look. Beautiful windy roads get us up to Oni, an idyllic village. Where we stay for the night at Temur's guesthouse. He builds and makes almost everything you see at his guesthouse himself, this includes the skinned bear and wolf skins. His wife will prepare the most delicious specialties from Racha for us. As Stalins favorite wine comes from this region we shouldn't leave the chance to see what his taste was like. The guesthouse is one of the view guesthouses that offers comfort as well as a real insight into

the Georgian way of life. In the garden ham is smoked, chacha is distilled. On most nights there is also live traditional Georgian music being played in the garden.

Day 5: With a swirling move we head out of Oni. After heading Westwards in this region, we move to the South. The curvy

roads through Racha are a Valhalla for any motorcycle enthusiast. The relaxed vibe and empty roads make it a perfect place for motorcycle riding. Leaving Racha we have to opportunity to visit the famous Prometheus caves, an immensely old complex with astonishing sights. From Prometheus we end up in Kutaisi, Georgia's second biggest city. We stay in the centre of the city in the King David hotel. We dine at Palaty, a beautiful "bohemian" restaurant with the best local food.

Day 6: Today we take the main road connecting Georgia's east and west. Going through the hills and with surroundings changing from time to time and exemplifying Georgia's natural diversity. On the way back from Kutaisi we can make a stop in Gori, to visit the museum of the cities and maybe Georgia's, most infamous individual: Joseph Stalin. From Gori we take a beautiful secondary road to Mtskheta; little traffic, many turns and beautiful views. From Mtskheta we ride to where it all started: Tbilisi.
